#### IN NEW BRAUNFELS

... they do things up right, even when it comes to sight-seeing.

Some 33 persons for that city this weekend will enjoy a tour of the Hill Country Trail and will make a stop in Hondo.

Yes, we know that Hondo is not officially listed on the trail [that is the town proper], but the place the travelers will visit certainly is.

They have agreed to have lunch Sunday at Herman Sons Steak House. Greeting them will be members of the Hondo Chamber of Commerce Board of Directors and hopefully [schedule permitting], Mayor J. G. Barry and County Judge Jerome Decker.

Tom Purdom, executive vice president of the New Braunfels chamber, has asked that Hondo send the group something to present to Gov. Dolph Briscoe on Friday when they meet with him in Austin.

With the help of Mrs. Betty Haile of the Anvil Herald staff we are sending him greetings expressing hopefully that Hondo can be an official part of the Hill Country Trail.

Here's the part about this that makes the trip impressive: The chamber there has enough money to provide the bus and the 33 travelers will pay their own way. The trip will include 17½ hours of bus rides, three night stopovers and 524 miles of travel.

#### OPEN MEETINGS

... were covered quite adequately in the San Antonio Light recently. The new law does not go into effect until the first of the year, but I feel a reprint of the Light's reminder would be appropriate at this time.

The Don Says

"We know it isn't the law yet, but ...

"When five or six members of the City Council saunter down to Little Mike's Ice House for a routine repast, are they flirting with the law?

"If their discussion concerns the weather, Texas football or Watergate between bites and sips, the answer would be 'no'. But if words on the city's transit system, the 'sole purveyor' ordinance or the latest developments in the energy crisis pass their lips in addition to the food, it could be an expensive lunch after the first of the year.

"That's when the newly-strengthened Texas Open Meetings Law, as passed by the 63rd Legislature, goes into effect. And the old Don only brings it up now because it seems that some public bodies are getting into a nasty habit.

"Not that there has been any wrongdoing. For all we know, the most important subject of discussion among the councilmen and woman has been the ups and downs of Leo Mendoza's employment.

"Included in the new law are a number of amendments and changes which spell out just what elected and appointed public officials may or may not do as a group.

"For instance, a luncheon as a social gathering is A-O-K, but a luncheon as a meeting is not unless due notice has been given.

"A meeting is now defined to mean 'any deliberation between a quorum of members of a governmental body at which any public business or public policy over which the governmental body has supervision or control is discussed or considered, or at which any formal action is taken.'

"Nothing in the new law says that the council, for instance, can't have closed meetings as long as proper notice has been given in an open meeting. The intent of the Legislature, though was to prevent secret meetings at which policy decisions may be reached.

"Luncheon gatherings at an establishment open to the public can hardly be called secret. Nevertheless, can the public be assured that the 'deliberations' around the table are confined to 'pass the salt, please' and 'make mine well done.' "

Other Ways Included

I thank the Light for its timely article and would like to add a few lines to it: the new law also includes as a no-no a pre-meeting of council, commissioners court or a school board, at which the members go over the agenda for that meeting. It could also include fishing trips, hunting trips and bridge games if a quorum is present and public business is discussed.

## City says 'file suits' on five

Local residents who have refused to make legal payments to the City of Hondo for curb and gutter work might just find themselves in court within the next week or so.

The list of non-payers and slow payers is extremely long and the impatience of the Council is showing. Councilmen feel that these persons have had enough time to

make an effort to pay.

So, Tuesday night they authorized City Attorney Hugh Meyer to file cases against five of the residents who fall in this category.

And from the mood of the Council, it won't be long before the rest of the people who owe the City money find themselves explaining their actions in court.

**HISTORICALLY...** this is the oldest religious edifice in Hondo. The southwest tower on the First Methodist Church was constructed in 1897 and now carries the title of the oldest religious structure in the city. Yet, despite that fact, present plans for a new Methodist Church auditorium call for destroying this piece of history. Surely, the architect could design a modern building around history. That is, if the congregation wants to preserve what their forefathers built.

## Council calls special meet for Tuesday

A special public meeting of the City Council has been called for 7:30 p.m. Tuesday, September 18, to discuss two subjects: a sprinkler system at the Hondo Golf Course and a Mobile Home Ordinance.

In a proposal mentioned by Councilman Hilmer Mueller Tuesday night the Hondo Golf Association wants to install a sprinkler system which will cost approximately \$30-35,000.

"They say they can pay off the note in 10 years," Mueller reported, "but they want to know if the City will co-sign their note."

Mayor Barry and the Council decided that was too big a question to answer without some discussion, so the problem was set aside for the special meeting.

Mueller also brought up the Mobile Home Ordinance and made a motion to write an ordinance which would say, "that any mobile home coming into Hondo in the

# County budget set at \$1,228,239.66

Despite a 5.5 percent salary increase for elected officials and workers and a total budget of \$1,228,239.66, Medina County Commissioners Monday approved the 1974 budget after holding an all-day public hearing at which not one citizen appeared.

Taxes for the 1974 year are based on \$30,900,000 assessed valuation, an increase of some \$800,000 over last year. Total assessed valuation in the county for 1974 is based on approximately 22 percent of the

true or market value of property assessed.

Total revenue to be raised by county taxes will be \$323,100, from which it is estimated the county will collect \$290,790. The remaining portion required in the budget will come from Revenue Sharing, license plates, fees and other revenue.

When compared to 1972, the budget for next year will show an increase of \$47,375.91. Had it not been for Revenue Sharing this figure would have been a deficit, or

it would not have been possible to accomplish all that is included in the budget.

A breakdown of revenue and expenditures show: net current ad valorem taxes, \$299,790, other receipts, \$618,470, total receipts, \$918,260, beginning balances, \$309,979.66, total resources, \$1,228,239.66; Total Expenditures, \$873,958, ending balances, \$349,281 for a total expenditures and balances of \$1,228,239.66.

Tax rate breakdown shows: Road and Bridge Fund 0.40, General .725, total operating 1.065, hospital bond sinking fund .035, total interest and sinking fund .035 -- making a total of \$1.10. Tax rate in Road District No. 3. Some \$36,000 will be received for the lateral road fund from state gasoline tax. This amount also will be spent.

The total revenue received in the road and bridge funds will be \$348,084, including \$52,750 cash balance as of January 1.

A breakdown of expenditures in this fund shows: Precinct 1--\$77,279; Precinct 2--\$53,638; Precinct 3--\$59,138; and Precinct 4--\$65,560. Each will have a cash balance at the end of the year.

Broken down, the General Fund shows these total expenditures for the total operation cost of various areas:

Administrative and General: Buildings and Grounds--\$15,006; Extension Service--\$22,284; Treasurer--\$18,606; Veterans Service Officer--\$7,455; Other--(this covers many miscellaneous items)--\$52,306; Total Administrative and General--\$115,657.

Health and Welfare--\$5,032, (plus \$11,129 from Revenue Sharing) including \$2,532 for a part time welfare stenographer and \$1,500 for ambulance service.

Judicial and Courts: -- \$86,270; Law Enforcement: Sheriff -- \$31,850 (plus all salaries and other items amounting to \$85,672 from Revenue Sharing); Law Enforcement, Constable: \$15,742.

Recording: County Clerk--\$27,997; District Clerk--\$16,323; Total Recording--\$44,320; Tax Assessing and Collecting--\$44,791.

Total Revenue Sharing money that is included in the budget is \$109,891. In addition to the sheriff and health figures already given, \$5,000 is earmarked out of this fund for the three libraries in the county (\$1,000 each) and \$2,000 for the Medina County Museum, and \$8,000 for motor vehicles for public safety.

## Diez y Seis plans told

St. John's Catholic Church will sponsor this year's 16 of September celebration at the City Park in Hondo, according to Rev. George Stuebben, pastor and organizer of the cultural event celebrating Mexican Independence.

Henry Guerra, Jr., San Antonio and South Texas television personality and the current president of the Mexican-American Friendship Committee of San Antonio, will give the main address in both Spanish and English and crown the queen of the Fiesta.

The Ballet Folklorico Mexico-Espana of San Antonio and directed by the recently married Vivian Duke will perform from 7 - 8 p.m. on Sunday, September 16, at the City Park in Hondo.

Armando Gonzalez of KRME in Hondo will serve as Master of Ceremonies. This popular disc jockey will emcee the coronation and the folklorico dancers.

A free dance is planned with the ever popular and much in demand Freddy and the Chicanos playing for the event. The free dance will start at approximately 8:45 p.m. after the coronation.

The home town Mariachis De San Juan directed by Pete De Leon will perform after the dancers finish their events. This is a church choir that has recently traveled to San Antonio, Sabinal, Uvalde and will take part in the Festival Guadalupe in December in San Antonio.

Father Stuebben reports that

there will be no admission charge to the park and all the events including the dance. Bring the children and enjoy the fun.

The Guadalupe Society will serve a Mexican plate from 5 until 7 p.m. at the park grounds. Refreshments of all kinds, bingo, various other games and hot dogs will be available for the late afternoon and evening. All stands are slated to open at approximately 4:30 p.m.

The 16 of September Queen will be selected this year by a special panel of judges not yet announced who will judge them on personality and poise. It is anticipated that representatives will be present from Uvalde, Pearsall, Sabinal, Knippa, Bandera, Castroville, Devine, Natalia, LaCoste, Hondo, Lytle and D'Hanis and Yancey.

Last year two scholarships were presented to deserving students at Hondo High School to help them enter college in September of 1973. If any profit is realized it is anticipated that some of the funds will be set aside for scholarships or for a possible Folklore dance course that will be given next summer here in Hondo and sponsored by the church.

"Everyone is invited out to the Hondo City Park on Sunday, September 16, for a good time," says Father Stuebben. "Stands open at 4:30 p.m. and the meal will be served at 5 - 7 ... program starts at 7 p.m. with dance afterwards."

## Visitor turnout heavy

There is one thing for certain as summer turns over the world to fall: More people, some 1691 to be exact, know more about the Medina County Museum than they did when summer first heated the county.

That many people visited the Museum during the summer months when it was kept open all day by about 70 volunteer workers obtained through the efforts of Mrs. Ella Oefinger with the help of Mrs. Lillian Schweers.

The word of the Museum is now being spread in communities throughout 25 states, for that is how many states the visitors represented. On top of that three foreign countries were represented.

Visitors came from Hamburg, Germany; Bogota, Columbia and Mexico City.

States represented included:

Alabama, Arizona, California, Colorado, Florida, Georgia, Illinois, Indiana, Kentucky, Louisiana, Maryland, Missouri, Mississippi, Nebraska, New Mexico, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, Tennessee, Utah, Virginia, West Virginia and, of course, Texas.

A total of 103 Texas cities and towns were represented by visitors to the Museum this summer. They ranged from Harlingen in the Valley to Lubbock and Plainview on the High Plains, Salt Flats in the far west, Nacogdoches in the East to almost every geographic area of the state.

Frank Graff, Museum president, expressed great satisfaction to the attendance during the summer. "We think it was great," he said. "And we would like to say a special

Always a highlight of the program is the appearance of the young first graders, and this year's group is certainly no exception.

The little boys who are entered to date include:

Robby Graff, son of Mr. and Mrs. Fred Graff; Michael Weber, son of Mr. and Mrs. R. W. Nolan; Randy Weirich, son of Mr. and Mrs. Reginald Weirich; James Dittmar, son of Mr. and Mrs. Melvin Dittmar; Marc John Zerr, son of Mr. and Mrs. John Zerr; Eduardo H. Rudy Silva; Jeff Prenzler, son of Mr. and Mrs. Jim Prenzler; Dean Alan Gentz, son of Mr. and Mrs. Fred Gentz; Russell Wipff, son of Mr. and Mrs. Karl Wipff, Jr.; and Lance Brucks, son of Mr. and Mrs. George L. Brucks.

As of this writing the following little girls are taking part:

Teresa Luna, daughter of Mr. and Mrs. Avaristo Luna; Robyn McGraw, daughter of Mr. and Mrs. David McGraw; Anna Marie Cuellar, daughter of Mr. and Mrs. Felix Cuellar; Shannon Lee Gruber, daughter of Mr. and Mrs. Jack Gruber; Stacey Elizabeth Koch, daughter of Mr. and Mrs. George Koch. ## Letters to the editor

Dear Burnis:

In today's fast moving economy, it is more evident than ever that proper planning be given to our personal estates. I am very pleased to be able to help arrange such a "planning session" for our people here in the Hondo area, along with the Hondo Chamber of Commerce.

As evident by the names of those appearing on the program, I personally feel the qualifications of these panelists are outstanding. In addition to the information to be shared with the group on Tuesday, September 25, at the Hondo High School

Audio Visual Room, at 7:30 p.m., our County Agent, Mr. Glenn Bragg, has offered to provide a very concise and helpful packet of "Fact Sheets" for each in attendance. These fact sheets are the result of many hours of work by the Extension Service.

The program should become very spirited when all are allowed to participate in the question and answer period.

I am sure that you, along with the rest of us on the program, would want to urge all interested people to be in attendance.

Yours truly,  
Albert N. Rowlett

The phone rang the other day and I picked it up.

On the other end was this woman's voice saying, "What is the weather like in Hondo today? My boss is thinking about coming out to shoot birds."

Well, it was threatening rain, so I don't know if he got out from San Antonio or not. And she didn't even say who she was.

A nice letter!

Dear Sir:

"I do want to thank the Chamber of Commerce for sending me the list of deer leases and Lillian Porter for being so kind as to keep me up to date as the leases were coming in . . . Lillian, the list you sent me we just couldn't find one to fit our group. I

hope you try again. Thank you very much and thanks for the picture card. Albert A. Ersch Sr., 1229 McCauley Ave., San Antonio, Texas."

I immediately mailed all our larger leases to Mr. Boswell and I do hope he finds what he wants in and around Hondo.

Mexican visitors to the U. S. increased 12 percent in the first four months, with 485,561 coming. Over half of all Mexican visitors to the U. S. come to or stop over in Texas. What can we do to get some of them to stop in Hondo?

## Amendment No. 1 is explained

**AMENDMENT NO. 1**  
**S.J.R. NO. 8**  
[Amending Article III, Sections 5, 24, and 49a, and Article VIII, Section 6, of the Texas Constitution to provide for annual regular sessions of the legislature, and to provide an annual salary of \$15,000 and a per diem allowance of \$18 for members of the legislature.]

The proposed amendment makes several changes in Article III, Sections 5, 24, 49a, and Article VIII, Section 6, of the Texas Constitution. These changes are:

(1) Article III, Section 5, provides for regular annual sessions of not exceed 180 days in each odd-numbered year and of not to exceed 60 days in each even-numbered year. During sessions in even-numbered years only fiscal and emergency matters submitted by the governor may be considered. The governor may extend the 60-day session for an additional 30 days. The present provision for convening special sessions is retained but the order of business requirement is deleted.

(2) Article III, Section 24, increases the annual salary of members of the legislature from \$4,800 to \$15,000 and increases the per diem allowance from \$12 to \$18 for each day of a regular or special session. The 140-day maximum duration of a regular

session is deleted. No changes are made in the mileage allowance.

(3) Article III, Section 49a, requires yearly rather than biennial reports on anticipated revenue in order to make Section 49a conform to the proposed annual sessions. The provisions for bonds owed on September 1, 1943, is deleted since it is now unnecessary.

(4) Article VIII, Section 6, provides a maximum period for apportionment of one year, instead of two years. The exception for the first legislature meeting prior to the 16th Legislature is deleted since it is outdated.

**Background**

All the Texas Constitutions have provided for biennial sessions of the legislature except for the Constitution of 1869, which provided for annual sessions. They have also authorized special sessions for emergency matters at the call of the governor when necessary. In 1930, Article III, Section 5, was amended to provide for the split legislative session. The regular session is split into three different periods to provide for the orderly conduct of business and to prevent the last-minute rush at the end of the session. However, this section also contains a provision that either house may determine the order of its business by a vote of four-fifths of the members. This provision is regularly invoked with the rest that the last-minute rush still occurs at the end of regular session.

the event and I can't remember when I have seen a group of some 500 persons have so much fun.

And guess what outsiders were there to cheer us on? None other than many of our good friends from San Antonio and Houston who came to Hondo last May and helped make the Chili Cook such a terrific success. These included Mr. and Mrs. Gary Hahne, Mr. and Mrs. Robert Morris, Janey and Tex Scofield and others whose names I can't remember.

And guess who won the three events. Why the Hondo champions, of course. Just to tickle your memory these were: Men--Charles Halbadier; Women--Mrs. Milton [Lillie] Heyen; Young People--Chris Heyen. Oh, they had some close competition, but they brought home the trophies.

Dr. Lawrence Franks, an old East Texas buddy of mine and one who "should know" corn shucking first hand, declared it "one of the finest events he'd seen."

O. T. Baker, director of the Festival, said, "it was outstanding."

And Tex Scofield, who was in charge of the stage, said, "this was the most exciting event we've had on this stage."

Thanks to all who helped make it such a success. And remember now, practice up because we'll see you next year at the corn crib.

longer term than two years, except for purposes of education. The phrase, "except for purposes of education," was deleted in the present Article VIII, Section 6.

**ARGUMENTS**

For:

- \* The legislator can no longer be considered a part-time official. Increasing complexity in the problems of state government and greater expenditure of time as a member of standing and special interim committees meeting between sessions leaves the legislator little time to devote to his private business or profession. The \$4,800 annual salary now provided in the constitution is scarcely adequate to meet present-day costs of living.
- \* Many qualified persons do not become candidates for legislative seats because they are unable or unwilling to make the financial sacrifice involved in service at the present constitutional salary. Raising the salary of members of the house of representatives and the senate to a more realistic level would provide a greater incentive for public service.
- \* Under the present salary provided, a legislator is forced to engage in outside employment, a business, or a profession in order to have sufficient income to support himself and his family. Such employment could create a conflict of interest which would impair his independence of action as a lawmaker.
- \* The \$12 per diem allowance was adopted in 1960. Since then the cost of living has greatly increased, thereby justifying the raise to \$18 to offset the cost of maintaining two homes during a session.
- \* Extending the odd-numbered year regular sessions from 140 to 180 days in duration would give the legislature more time to analyze and consider important legislation. This extended time may also reduce the last-minute rush at the end of a session.
- \* The even-numbered year session limited to fiscal and emergency matters would remove the burden of financing the state for two years and

make possible a more realistic year-by-year evaluation of the financial condition of the state.

Against:

- \* A substantial pay increase for members of the legislature would further increase the cost of state government at a time when state finances are already overburdened in meeting the expanding needs of a growing population.
- \* Under the constitution the legislature is required to meet in regular session not to exceed 140 days every two years. Thus the job of a legislator is not a full-time job and the official holding a seat in the house of representatives or the senate should not receive a full-time salary. Increasing the total session time from 140 to 240 days every two years still makes it a part-time job.
- \* Because of high campaign costs, a potential legislative candidate without substantial financial resources would still be discouraged from running for office even if the proposed salary increase to \$15,000 should be adopted.
- \* The per diem allowance is paid to enable part-time legislators to maintain two homes during a session. By making full-time jobs with full-time salaries for legislators the necessity to supplement a part-time salary does not exist anymore.
- \* The constitutional provision providing for a split session has been disregarded by most legislatures by four-fifths votes of the members and, as a result, the constitutional attempt to avoid the last-minute rush at the end of a session failed. This proposed amendment has no provision for order of business. Bills apparently could be introduced anytime during the session. The additional 40 days would only delay the last-minute rush by 40 days.
- \* Under the present constitution the legislature cannot appropriate money for more than two years. There is no prohibition against yearly appropriations. In the even-numbered years the governor can call a special session limited to fiscal and emergency matters under the present constitution.

'thanks' to all the volunteers who worked there so these people could see our Museum."

Mrs. Schweers reported that a couple from Georgia came in and wanted to see some more of this part of the country so she personally took them on a tour. They stayed at the Whitetail Lodge two nights so they could visit around.

The Museum was kept open on a daily basis from Memorial Day through Labor Day. A breakdown of visitors shows: June-191 morning and 262 afternoon for a total of 453; July-186 and 423 for a total of 609; August-274 and 291 for a total of 565; September-15 and 49 for a total of 64. This reached the grand total of 1691.

future would have to be placed in a mobile home park."

Many questions were asked concerning such an ordinance. City Manager Fritz Leinweber asked, "Are we going to stop the growth of the town? Many of the new people now working in Hondo live in mobile homes."

Other questions concerned the possibility of certain restrictions as to a minimum size mobile home, skirting the home, and other points that would help make the area attractive; the possibility of restricting mobile homes to certain zoning classifications.

This subject, too, proved too big for the time allotted Tuesday night so it will be the second subject of the special public meeting next week.

## Bicycle riders take note

Two important safety problems involving young people were raised at the Tuesday night City Council meeting.

Councilman Hilmer Mueller brought up a problem concerning McDowell and possibly Meyer students who leave the campus at noon and walk along Avenue Q.

He asked Police Chief Jim Shofner if something could be done about the students walking down the middle of the street and daring cars to hit them by refusing to move over.

This question had been brought to Mueller by persons who have had to actually stop their cars because students refuse to move over.

Shofner suggested that the Principals talk to the students and if possible get word to their parents.

The second question was raised by City Manager Fritz Leinweber. "Is it against the law to ride a bicycle on the sidewalk downtown?" was his question.

"It is," Shofner answered. "And we have issued some tickets and talked to bicycle riders. But it apparently doesn't do any good, for they continue to ride them."

It was brought out that this is a dangerous practice because of people opening doors, of older people who might be able to avoid the cyclists and several other hazards.

As of last week the following older girls are entered in this year's competition which will come to a climax Saturday night when Diane Lively crowns her successor.

Entered are Dayle Marrs, Marcy Mueller, Pam Rowlett, Mary Ann Flory, Angie Pargas, Esmeralda Escamilla, Nancy Tapia, and Mariette Aelvoet.

Also participating in this outstanding event will be Oralia Rodriguez, Shauna Graff, Rose Gonzales, Roxanne Gallardo, Landa Saathoff, Jeanette Aelvoet, Susan Marie Riff and Susan Fohn.

Others are Cindy Tschirhart, Renae Zinsmeyer, Theresa Laughinghouse, Kay Martin, Sheryl Mitchell, Jo Ann Quintanilla, Gail Lutz, Brenda Hardt, Yolanda Galvan and Evelyn Ramirez.

A reception is planned at 2 p.m. Saturday for the young contestants at the home of Mr. and Mrs. Kenneth Flory, 1303 Shady Lane.

The older girls will be hosted at 3 p.m. at the home of Mr. and Mrs. Joe Fohn at 1101 27th Street.

Lions Club officials say that a most enjoyable and entertaining, fast moving program has been planned. Several out-of-town guests, winners in their own right, will be on hand to add grace and charm to the festivities. Among those coming will be Shavana Yanity, Miss Medina Valley; Miss Starr Kelton, Miss Bandera; and Nancy Brandau, recent winner of the Miss Beeville Pageant.

Everyone is urged to come out to the fine program of entertainment here in Hondo.

## Corner work promised

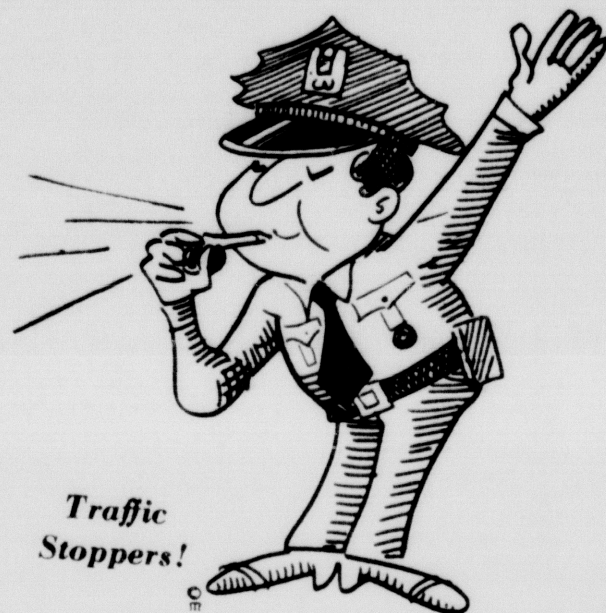

Persons concerned with torn down street signs, bad corners and unpainted fire hydrants can rest easy. The City is going to do something about it.

Councilman Hilmer Mueller suggested Tuesday night that a man be hired for the sole job of cleaning corners, painting hydrants and remounting signs torn down by vandals.

City Manager Fritz Leinweber said that they have present manpower

that can be diverted to this job and it will be done from now on.

## Ellen Rothe, Fred Schueling, Jr. wed in D'Hanis

Miss Ellen Frances Rothe became the bride of Fred Schueling, Jr., in a

double-ring ceremony, on Saturday evening, August 11, 1973, in Holy Cross Church, D'Hanis. The Very Reverend Victor Schmidtinsky, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Lawrence Rothe of D'Hanis and the groom is the son of Mr. and Mrs. Fred Schueling, Sr., of Hondo.

Given in marriage by her father, the bride wore a floor length gown of organza with a bouffant skirt and high neckline and empire waist. The short, puffed sleeved bodice was trimmed with bands of embroidered lace and satin ribbon.

A double ruffle of self organza hemmed the full skirt and the short chapel sweep. The face-framing headpiece of white was covered with silken organza flowers with hand rolled edges, mixed with orange blossoms and centered with tiny seed pearls.

For something old the bride wore a necklace of her paternal grandmother and carried a laced-edged handkerchief of her maternal grandmother.

Mrs. Dennis Herrmann attended her cousin as matron of honor. Bridesmaids were Miss Marty Rothe, sister of the bride, and Miss Phyllis Fletcher of Eagle Pass.

The bride's attendants wore matching dresses of green checked dotted-swiss. The sleeveless dresses had a v-neckline trimmed with a wide band that crossed in front, making a bow in back.

They wore white hats trimmed with a big bow of matching material and carried nosegays of daisies, melon-colored carnations and baby's breath.

Serving the groom as best man was Myron Saathoff of Hondo. Groomsmen were Steve Turner of Kingsbury and Bobby Fohn of Hondo. Ushers included Greg Rothe, brother of the bride, Dennis Herrmann and Claude Pichot, both of San Antonio.

Richard Schueling, brother of the groom, and Kenny Rothe served as altar boys and candle-lighters. Bonnard Rothe, the bride's godfather gave the scriptural readings.

Candelabra dressed with melon and white gladiolas and green fern, mixed with melon-colored carnations, daisies and baby's breath graced the altar.

Mrs. Amos Finger, organist, accompanied Mrs. Ronny Werth in "Twelfth of Never" preceding the processional march. Mr. Gerald Fohn sang "Wedding Song" and "The Lord's Prayer" following the exchange of vows. At the communion a mixed choir sang "Ave Maria."

Miss Cathy Schueling, sister of the groom, registered the guests at the reception in St. Dominic's Hall following the ceremony. A buffet supper was served the guests. Gail and Christi Rothe, sisters of the bride, and Connie and Donna Schueling, sisters of the groom, assisted the guests at the bride's and groom's

Mr. and Mrs. Fred Schueling, Jr.

tables. The table was laid with pale green net and flanked by candelabras. The four-tiered bride's cake was white iced and trimmed with pale melon-colored flowers and green leaves. The groom's cake was trimmed with an arrangement of grapes. Mrs. Greg Rothe, Mrs. Steve Turner and Mrs. Robert Fohn also assisted in serving the guests.

After a honeymoon trip to Carlsbad, the couple is at home in Hondo.

### Rehearsal Supper

Mr. and Mrs. Fred Schueling, Sr. entertained the Schueling-Rothe wedding party after the rehearsal on Friday night, August 10, at the Wagon Wheel in Sabinal. A steak dinner was served to 30 guests.

## All she wrote

by Edna McDade

Last week's 28-page Conservation Edition represented a lot of dedicated effort by a lot of people. I have read every word of it-including the ads which made its publication possible.

And I hope every land owner read [on p. 23] what our first president had to say long before conservation-for-survival became a must:

"I know of no pursuit in which more real and important service can be rendered to any country than by improving its agriculture."

-- even if he did take a whack at a cherry tree! Or, did he?

\*\*\*

This coming Sunday marks the date [Sept. 16, 1810] when Fr. Hidalgo Y Costilla, later to become known as the "Father of Mexican Independence", issued a call for the overthrow of Spanish domination which was finally achieved in 1821.

This year in Houston, Texas, 65 organizations known as "Fiestas Patrias" [patriotic holidays] will observe the day in a community-wide celebration planned and provided by Americans of Mexican ancestry.

Nowhere in the publicity that I read regarding the event did I find the terms "La Raza", "Chicanos" etc. They are AMERICANS ALL.

Last year's celebration ranked as the largest to that date with participation and attendance outranking even San Antonio and California.

\*\*\*

Sugar cane is looking like a mighty sweet \$25 million crop down Rio Grande Valley way where a new sugar mill is getting set for production.

Congress finally got around to amending the Sugar Act to include a 100,000 ton cane allotment for the Valley.

Remember when Medina County had dreams of producing sugar beets? WINNIE BRADEN, then with the C of C, and I attended many a meeting but even that didn't help! All we have are sweet memories, perhaps as proof that "Sweet are the uses of adversity"?

\*\*\*

Next month, already, we'll be jiggling clocks again to keep in step with the time. It might not help but the information does apply: Standard time, as we eventually came to know and observe it, was first adopted by American railroads in 1833 as a means of improving their service.

Until then, each city operated on its own local, sun, or "God's" time and it was estimated that the poor trainmen were trying to keep up with at least one hundred assorted local schedules.

So, maybe we'd better just be content with time as it is -- or tries to be. It still flies.

\*\*\*

It's going to take a lot of cornbread to stuff 9,091,000 turkeys but that's how many turkeys Texas growers are expected to produce, by turkey selling time, according to the Crop & Livestock Reporting Service.

\*\*\*

Without fear of contradiction, I think it can be stated that at least two more marriages can be expected to last in Medina County.

When I saw the pictures of FRITZ and NETTIE [Brucks] BOHMFALK, who made it to their golden anniversary, I felt a glow of happiness for these two dear people who have contributed so much to the welfare of their community.

I can almost claim kin! The W. P. [Bud & Jeanene] GUINNS are at least half-way to their 50th and it couldn't happen to a nicer couple.

Robert Burton [1577-1640] and not to be confused with Richard B. of this point-in-time, wrote various lengthy treatises including one on causes & symptoms of love melancholy. A sample excerpt is "Marriage and hanging go by destiny; matches are made in heaven."

I'd say that the Bohmfalks and Guinns made good "matches".

\*\*\*

As I have been assembling this week's report, weather bulletins are being issued to keep us current on Delia's assorted detours. Friends and family have been calling to check on whether I felt frightened or nervous.

When Son John came in ahead of schedule, I thought he was probably checking too. But, what he said was, "I thought I'd better check to secure the garbage cans and other blow-away-ables."

That's filial devotion in planned disguise!

## Wolff Reunion held

One hundred and six descendants of the family of Joseph and Theresa Rudinger Wolff attended their 21st annual reunion.

Registrants represented the families of Theresa Wipff, Frank Wolff, Emil Wolff, Lena Zerr.

Youngest member attending was Richard Myers, one-year old son of Mr. and Mrs. Steve Myers of D'Hanis. Oldest in attendance was August Zerr of San Antonio. Mr. Zerr is the son of the late Mr. and Mrs. Joe Zerr, formerly of D'Hanis.

Following a picnic lunch, everyone enjoyed visiting and talking over old times.

Those attending the reunion came from D'Hanis, Hondo, San Antonio, Kirby, Big Foot, Rio Medina, Sonora, Lavernia and Pleasanton.

Frank Wolff's family had the most present with the Theresa Wipff family next.

The Hondo Art League was well entertained by Miss Ocarvia "Dutz" Davis at their regular meeting last Monday night.

The retired school teacher (who is anything but retired) told the story of puppetry from its beginnings in history.

She told stories of how she used puppets to help schoolchildren in their learning, and how she came to write children's books.

Her presentation was well enjoyed by the ladies at the meeting.

After the meeting, a drawing was held among the ladies for a tapestry of clowns, made by Miss Davis.

It was won by Mrs. Reinartz, and will be presented to the public library along with copies of her children's books.

## A good babysitter needs a lot more than a way with kids

Of course a babysitter should like children. And like taking care of them. But the job also involves some pretty big responsibilities.

Caring for little ones means being able to handle just about any emergency. Because emergencies often require the use of the

telephone, a handy list of important numbers can do wonders for your sitter's confidence.

So write down the phone numbers for fire, police, medical assistance and the places you'll be while out. Keep the list right next to the phone, and remember to call home if your plans change.

Interested in getting more for your telephone dollar?  
We'll send 30 tips to help you save time and money.  
No charge. We'll also include an Emergency Numbers List.

# F.F.A. NEWS

The Hondo FFA Chapter held the first meeting of the school year Sept. 10th at Hondo High School. Chapter President, Larry McWilliams, announced the appointment of committees for the 10 divisions of the program of work. The FFA Program of Work is a list of all activities that a local FFA Chapter plans to take part in during the next 12-month period.

These 10 divisions are as follows: 1) Supervised Agricultural Occupations Experiences, 2) Cooperation, 3) Community Service, 4) Leadership, 5) Earnings and Savings, 6) Conduct of meetings, 7) Scholarship, 8) Recreation, 9) Public Relations and 10) Participation in State and National FFA activities.

These members were named to these 10 divisions of the Program of Work: 1) Co-Chairmen Alan Muennink and Duane McCartney, members - Garland Nietenhoefer, Doyle Wiemers, Johnny Kalinowski, Lupe Contreras, Billy Ward and Tommy Taylor; 2) Co-Chairmen Tim Hardt and Mike Riff, members - Andy Gilliam, Mark Graff, David Hernandez, Travis Lopez, Ivan Muennink and Richard Fournier; 3) Co-Chairmen Gary Saathoff and Bobby Cox, members - Jack Martin, Richard Lewis, Jeff Day, Ronny Mechler, David Fohn and Joel Hannemann.

4) Co-Chairmen Larry McWilliams and Bobby Tschirhart, members - Kirk Decker, Koby Sandusky, Steve Hannemann, Mark Blasing, Allen Boehme and Clay Braden; 5) Co-Chairmen Gene McAnelly and Kurt Weber, members - Lynn Martin, Henry Guerra, Lee Haile, Mike McWilliams, Jeff Parsons and Sam Sandusky; 6) Co-Chairmen Mike Nester and Lynn Martin, members - George Aelvoet, Trinie Miranda, Robert Rendon, Alfred Weirich, Randy Nietenhoefer, Alan Saathoff and Mark Wiemers; 7) Co-Chairmen Glenn Kriewald and Donny Weynand, members - Robert Harrison, Douglas Coyle, Joey Lopez, Steve Disney, Bruce Martin and Douglas Fasel.

8) Co-Chairmen Russell Guinn and Glenn Sturm, members - Gabe Lopez, Forrest Horecka, Ronald Lange, Jeff Smith and Ron Squires; 9) Co-Chairmen Louis Schmidt and Frank Haby, members - Allen Trisler, Allen Reed, Joe Martinez, Douglas Schueling, Doug Samford and Skip Rutherford; 10) Co-Chairmen Bill Bendele and Bruce H. Martin, members - Jimbo Amberson, Blake Boehle, Rusty Haile, Mario Guana, Tim Gilliam, Kenneth Rutherford, Arthur Rothe and Francisco DeLeon.

The chapter voted to set the Annual FFA dues at \$4.35 for this school year. The local dues for Hondo FFA Chapter use will be \$2.25 and a total of \$2.10 will be mailed out for Area, State and National FFA dues. Each FFA member will receive a copy of the National Future Farmer Magazine six

times through the year. The State and Area FFA dues makes a member eligible to participate in contest and to qualify for certain FFA degrees and awards.

The Chapter Program of Work and a list of all FFA members must be mailed to Austin before November 1. The chapter agreed to set October 24 as a deadline for submitting FFA dues this year.

Miss Donna Wiemers was elected as Chapter Sweetheart for this school term. Miss Wiemers is the daughter of Mr. and Mrs. Olin Wiemers, a senior in high school, a cheerleader, and a member of the Owl Band. Miss Wiemers will compete in the District FFA Sweetheart contest next spring.

Mr. McAnelly gave a short talk on the importance of team work in all

FFA activities. He recognized several FFA boys who had won State or Area FFA honors and commended them for their fine showing. The cooperative spirit is needed to make any worthwhile undertaking fruitful. McAnelly told of contests that will be held in October and November and urged the team members to put out the greatest effort to win.

**Jacket Orders Taken**  
Each Fall as the school year gets underway the FFA boys start thinking of FFA jacket orders. There will be an FFA jacket order mailed Friday, Sept. 14th. The Texas price on official FFA jackets this year is \$10.75. Those boys who desire to order jackets must make their deposit before the jacket order is placed.

**ROTHE RECEIVES AWARD**-Joe H. Rothe (right), Hondo native and assistant director-state agent of the Texas Agricultural Extension Service, has been presented the Texas Superior Service Award for outstanding accomplishments. # Estate Planning meeting theme

Proper planning of personal estates will be the theme and substance of an Estate Planning session scheduled for Hondo on Tuesday, September 25.

The program, slated 7:30 p.m. on that date in the Audio Visual Room at Hondo High School, is being co-sponsored by the Hondo Chamber of Commerce and Albert Rowlett, agent for the Lutheran Mutual Life Insurance Company.

A top flight program is planned and will include speakers on: "The Attorney and Estate Planning" by Allen Lee, Medina County Attorney; "The Role of a Trust Department" by David Finger, vice president, Frost National Bank Trust Administration; "The CPA and Estate Planning" by L. John Strieber, Jr., Certified Public Accountant; and "Sound Estate Planning Using Life Insurance" by Albert N. Rowlett, district agent for Lutheran Mutual Life Insurance Company.

In addition to the speakers the program calls for a question and answer period moderated by Burnis Lawrence, president of the Hondo Chamber of Commerce.

Also to be distributed, courtesy of County Extension Agent, Glenn Bragg, is a concise and helpful packet of "Fact Sheets" for each person in attendance.

These fact sheets are the results of many hours of work by the Extension Service.

"This program should become very spirited when all are allowed to participate in the question and answer period," Rowlett said. "I am sure that you, along with the rest of us on the program, will want to urge all interested persons to be in attendance."

## Railroad work slated

AUSTIN -- Three railroad grade crossing protection projects in the San Antonio district have been announced by the Texas Highway Commission.

The projects, under the supervision of District Engineer R. O. Lytton, will upgrade crossings in Atascosa, Medina and Wilson Counties. Totaling an estimated \$52,000, the projects are part of the \$1.5 million 1974 Railroad Grade Crossing Protection Program authorized by the 63rd Legislature.

The projects are the US Highway 281 crossing of the MP in Pleasanton, estimated to cost \$15,000; the State Highway 173 crossing of the MP in Devine, estimated at \$20,000, and the US 181 crossing of the SPT one mile south of Poth, \$17,000.

Under the program the state pays 90 percent of installation costs and the railroad 10 percent.

## Guinn offers to manage

The new ambulance is not off the planning board yet, but it already has the offer of a manager in the Hondo area.

Bud Guinn appeared before the City Council Tuesday night and offered to serve as manager of the service once it begins in the city.

The Council took the offer under advisement and said that nothing could be decided until possibly after the special joint meeting of Commissioners and city mayors and councilmen on September 24.

## Flood progress report

A progress report was asked Tuesday night of the City Council on work designed to decrease flooding in the eastern portion of the city.

Arthur Dominguez appeared to ask the Council this question.

The answer brought some concrete points but at the same time caused confusion on the part of at least one Councilman, Hilmer Mueller.

It was reported that the Highway Department has already begun work on clearing out underneath the culvert on Highway 90, and the City has written the railroad company asking permission of City crews to clean out near the railway trestle. So far, they have received no answer.

But from that point north is where Mueller said he was confused. "I thought we agreed to clean off the entire gravel pit and areas north of there," he said.

"No," was the answer he received. "We are clearing out and cleaning out a channel through the pit so that the water won't be blocked."

"Why don't we take E. A. Bendele's offer and accept the deed to that three acres of the pit and then clean it all out?" was Mueller's question.

"Because Bendele has

too many restrictions on his offer," was the reply of City Attorney Hugh Meyer.

"He wants permission to plat and sell seven lots in that area in return for deeding the city the land."

It was agreed by all Councilmen that the City could accept no conditions such as this if it did indeed accept the land.

Tuesday night's apparent decision was to not accept Bendele's offer.

However, the Council did say that City crews will be utilized as soon as they can be freed from committed work.

"That's good," Mueller said. "For we have promised to do something there and I feel we need to keep that promise."

## Region band, choral directors meet here

Region XI, Choral Directors and Band Directors recently held their Fall meeting in Hondo. Those who serve as Region XI Texas Music Educators Association Officers are:

Hallford, Devine; Vice-Chairman, Charles Wood, Kerrville; Secretary - Treasurer, Billy Harrell, Hondo; Band Chairman, Avie Teltschik, Kerrville; Choral Chairman, Bill Morris, Kerrville; Orchestra Chairman, Billy Harrell, Hondo, and Elementary Chairman, Mrs. Roberta Brown of Kerrville.

Kenneth Flory, Superintendent of Hondo Schools, serves as Chairman of the U.I.L. Music Section and Billy Harrell, Hondo Band

Director, serves as Executive Secretary.

Events to be held in Hondo this school year include the following: Band Marching Contest, November 10; District Band, December 1; and Band Solo-Ensemble Contest on February 2, 1974. Approximately 3,000 students will be participating in these events.

# BAM citizens schedule meeting for Tuesday

BAM Citizens (Bexar-Atascosa-Medina citizens in opposition to airport Site H or Alternate Site H) have scheduled a general meeting of all citizens and groups for Tuesday, Sept. 18 at 8 p.m. in the Medina Valley High School Cafeteria.

showing the adverse affects on agriculture and the environment surrounding the airport should an airport be constructed in the LaCoste area. This slide presentation will be just a small part of the planned opposition that

will be made to the San Antonio City Council.

"This meeting should be one of the most informative meetings held by the BAM group and is of utmost importance for all Citizens to attend," the spokesman said.

## Museum finances shown

Elated over the number of visitors to the Medina County Museum this summer, board members met Monday night and heard a report on finances and other projects.

Mrs. Bruno (Lillian) Schweers said that she and Bruno would attend the Winedale seminar on "Rural Preservation and Development" to be held this weekend. Nora Winkler might attend also.

Treasurer's report showed the Museum has total assets of \$7,730.77.

This is arrived at by these figures:

A bank book balance of \$2,471.15, deposits of \$401.21, withdrawals for expenses of \$173.54, outstanding checks of \$31.25, time deposits for 90 days of \$5,000.

"We were pleased with our revenue for August," said President Frank Graff. "It broke down this way: memberships \$226.00 donations \$60.66, memorials \$12.00, miscellaneous sales \$72.55, plate sales \$15.00 and historical note sales \$15.00. This gave us a total of \$401.21 income for the month."

## Uvalde Coyotes strong again

The Coyotes of Uvalde took it all in 1972, winding up their most successful season ever as the State AAA Champs.

This year, they're not even being picked for District champs.

The reason? Graduation, and the Cuero Gobblers.

Cuero is even better this year than last, when they matched Uvalde's undefeated record before being gunned down by the Coyotes in the 14-AAA District championship game.

And, various colleges now contain on their rosters the names of ten of Uvalde's 1972 offensive starters, and eight of the defense leaders of that squad.

Even the coach graduated, Marvin Gustafson, who made the guard-around-a-household word in the State semi-finals, has moved up to a 4-A head coaching slot with Churchill of San Antonio.

But silver linings remain on the cloudy Uvalde horizon, where excellent rebuilding material is on hand.

The season opener saw the Coyotes rip into District 28-AA-pick Pearsall 19-0, rolling up nearly

200 yards rushing while holding the Mavericks to only seven first downs.

The sole offensive returnee for the Coyotes is Steve Stoy, a tailback-turned-quarterback, who still likes to run, tailback-style, with the ball. At 185 lbs, he's a bruising runner, a possible All-Stater.

He led all rushers for Uvalde, gaining 66 yards on 20 carries and scoring two of the Coyotes' three touchdowns. He'd rather run than pass. The Coyotes took to the air only five times against Pearsall, completing two for 30 yards.

Two former defensive starters are now going both ways. Deets Finley, (6-1, 220) will double at

offensive and defensive tackle. Uvalde Losoya, a 1972 linebacker, will be on both squads this time. And, Billy Sansom, last year a defensive halfback, saw action as a running back against Pearsall.

Eleven Lettermen return for Uvalde. They will facilitate the changeover to new coach Toby Wood's slot-1 offensive setup. Defensively, the Coyotes still rely on the basic Texas defense.

Not a sure-thing like last year, but Uvalde is still a force to be reckoned with. They have plenty leftover talent, and some new blood that just might make memories of 1972 a little shorter.

### Owls' opponents win some, lose some in openers

Opponents of the Owls this season earned a split decision Friday night, with four teams winning and four losing. In the one game between two Owl opponents, Uvalde blanked Pearsall 19-0.

Samuel Clemens shut out Austin Del Valle by a 13-0 margin.

St. Gerard's was idle Friday.

Devine also shut out their opponent, defeating New Braunfels Canyon 13-0.

And Dilley also earned a 13-0 decision over Jour-

danton.

On the losing side, Cotulla was edged 12-7 by Laredo United.

Medina Valley was downed by San Antonio's Judson Rockets, 29-8.

Carrizo Springs lost to George West, 14-8.

### Medina Gun Club to meet

The Medina County Gun Club will hold a called meeting on Monday, Sept. 17, at 7:30 p.m. in the Indoor Rifle Range. Items of business to be discussed include plans for a Sight-in Day, a Turkey Shoot, Membership drive and Shooting Matches. The Medina County Gun Club is affiliated with the National Rifle Association. Any one interested in shooting is welcome to attend this meeting.

## Hondo downs Tigers 14-8

The 1973 season started on a solid note as the Owls trapped the tough Floresville Tigers 14-8 on Barry Field Friday night.

Floresville won the toss and promptly settled into a drive that took them to the Owl 25-yard line behind the running of Lonnie and Carlos Matthews, plus a 30-yard dash by Tiger QB Ramirez.

But Brian Finger leaped in front of a receiver to grab a Ramirez pass and spoil that threat.

The Owls then began a drive of their own, which sputtered with a fourth-down incompletion from the Cat 4-yard line.

Forcing a fumble at the Floresville 20 on the next

Tiger possession, Ray Garcia put the Owls back in scoring position. But again, the Hondo drive ended on a fourth-down incompletion pass from a scrambling Brian Finger intended for Gordie Bohmfalk at the goal line.

Neither team threatened again until Finger, with a bare second left in the half, hit Ray Garcia with a scoring toss from 40 yards out to put the Owls on the board.

Gene McAnelly's kick was good, and the Owls took a 7-0 lead to the intermission.

The second half kickoff went to the Owls, and Hondo lost no time stinging the Bengals with

long passes. Finger completed two to Bohmfalk for 11 and 38 yards, and Tony Hackebell fought his way across the goal from five yards out to add 6 points to the Hondo total. The 70 yard drive took only 100 seconds of play before the tough junior fullback busted over tackle for the score. McAnelly again split the bars, and Hondo took a 14-0 margin.

Floresville was a tough, battling team, and they spent almost all of the third quarter in Owl territory. Taking McAnelly's kickoff to their 45-yard line, the Tigers quickly crossed the mid-field stripe behind the Matthews brother's pun-

ishing runs. Their drive was stalled at the Owl 6 as back-to-back motion penalties forced a fourth down try from the 11-yard line. The ball went to Carlos Matthews, but before he could break open tri-captain Eddie Pope stopped him and the Owls took over.

Floresville forced an Owl punt from Hondo's 10, and the Tigers went on the prowl again.

This time, they took the ground route to the Owl 8, then Ramirez uncorked a pass to Stevens for the touchdown. A two-point conversion try from a fake kick was successful as

Ramirez again passed, this time to Carlos Matthews. With 37 seconds remaining in the third quarter, the scoring was over at 14-8 Hondo.

The Owls and Tigers failed to mount any other successful scoring threats, though McAnelly tried a 26-yard field goal which sailed wide to the right.

Final statistics read as follows (Hondo first): First Downs, 14-12; Rushing yardage, 91-170; Passing 6-15-0 for 168 yards, 3-6-1 for 48 yards; Fumbles, 0-2; Punts-averages 3-28, 2-30; Penalties, 4-30, 6-50. Return yardage, 77-50.

### Owls hope to snap Uvalde skein

The coaches' office was quiet Tuesday afternoon as a light rain fell outside on the practice field.

Inside, Head Coach Bohls was discussing the upcoming game against Uvalde.

"They will be strong, and they will be physical -- they always are," Bohls commented.

"They have some

strong, big linemen (like Senior tackle Deets Finley, at 6-1, 220 pounds) and quick backs (Steve Stoy, a quarterback this year, tailback on the '72 State champion team)."

"This year, they've stayed with the slot-1 offensive formation, and without too many changes in defense," Bohls added. "They play a ground-oriented game."

Asked about the Owls' performance last week against Floresville, Bohls said, "Floresville really have a good team, but some bad breaks hurt 'em."

"We were pleased with our team's performance, except for some rough spots in the first quarter. Finger and Hackebell had a good game for us."

"Any injuries from that game, or anyone disabled going into this game?"

"No injuries, at least not from Floresville. But it looks like Tim Hardt will be out all season," (due to trouble during early practice sessions with heat prostration).

The Coyotes should be looking forward to Friday night. If they should win, they will own not only the longest current winning streak in Texas, but also the longest winning skein in the history of Uvalde High School.

Last Friday's victory over Pearsall put the string at 16-as many as were won by a 1948 team at Uvalde. And Hondo is one of Uvalde's oldest rivals.

Of course, winning streaks were made to be broken, sometime ...

### Frosh tie Panthers, B's win, 12-0

The Freshmen and B-team played their opening

games last Thursday against their counterparts from Medina Valley.

#### SPORT FACTS

By Ralph

It was in 1956 that the Hondo Owls played Stinnett for the state title and fell by the wayside.

In 1971 they won quarterfinals over Refugio and played Rosebud-Lott in semi-finals and lost.

Fastest pit stop: The Wood Brothers of Salem, Virginia took 19.8 seconds over Jim Clark's first fuel stop on May 31, 1965. During this time, they loaded 50 gallons of fuel without pressure.

Presented by E. R. LEINWEBER CO. 1710 Ave. M 426-2443 Hondo, Texas.

See us first for exceptional values for the entire family.

The two frosh teams battled to a 6-6 tie, as Sendon Valdilles accounted for the lone Hondo score with a 3-yard plunge over the goal line.

The Hondo B-team blanked the Panthers 12-0 on scoring runs by David Knowles and Lee Haile.

Knowles rambled 155 yards on a quarterback keeper for the opening score, then set up the second with a toss to David Christopher.

Lee Haile battled for the final 3 yards and the touchdown.

Tonight, both teams will entertain Uvalde at Barry Field, with action beginning at 6 p.m.

Freshman player Joe Tschirhart suffered a broken collarbone in practice Tuesday, and will be out probably for the remainder of the season.
